

The payment landscape of the UK

NUMBER OF CASHLESS TRANSACTIONS PER CAPITA/PER YEAR

DID YOU KNOW?

Debit cards were the most used payment method with 19.5 billion payments, accounting for 48% of all payments in the UK in 2021;

In 2021, 86% of adults used remote banking. 65% of UK adults used online banking and 57% used mobile banking;

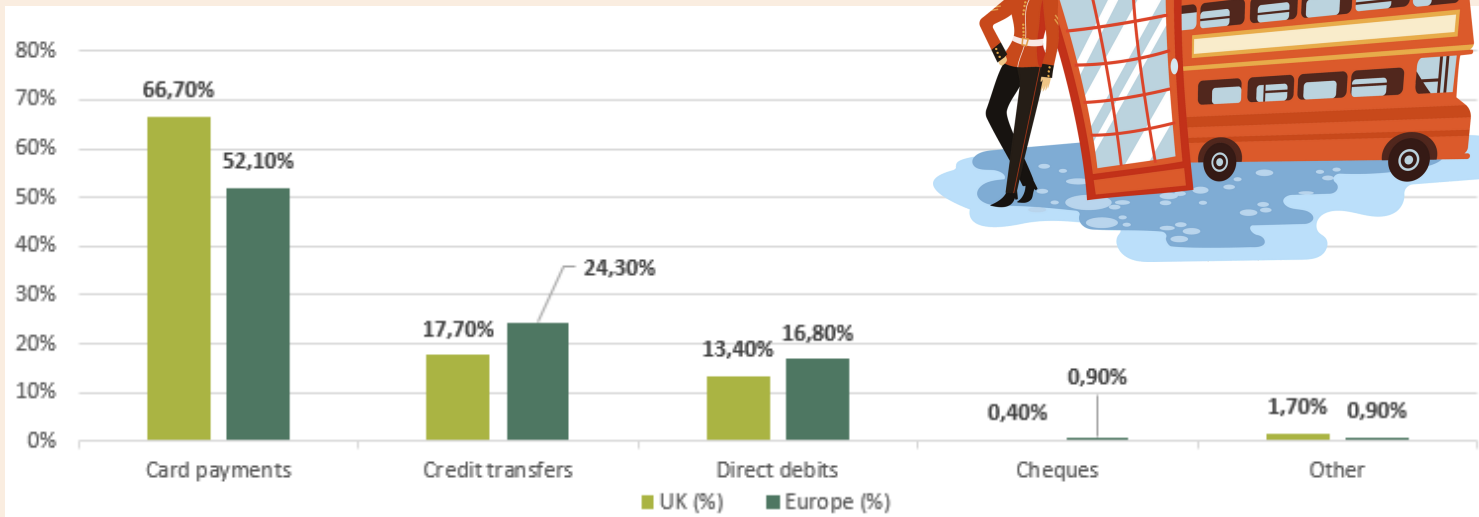

Faster Payments* totalled just over 3.6 billion in 2021;

UK Finance predict that in 2031, the use of cash will decline to the point where 6% of payments are made using cash (15% in 2021).

DISTRIBUTION OF CASHLESS PAYMENTS

*Including other remote banking
