

# INTRA-EU MOBILITY

A CASE FOR ADHERING TO

## THE SEPA PROXY LOOKUP (SPL) SCHEME

The SPL scheme covers the exchange of the data necessary to initiate payments between proxy-based payment solutions on a pan-European level.

Interested in joining the SPL scheme? Check out the intra-EU mobility data highlighting the market potential:

### Labour Mobility<sup>1</sup>

- About 17.6 million “movers” (including dependents)
- 75% of “movers” located in Germany, UK, Italy, France or Spain and mainly coming from Romania, Poland, Portugal, Italy or Bulgaria
- In addition 1.5 million “cross-border workers” (mainly coming from France, Germany or Poland)

### Erasmus+ Programme<sup>2</sup>

- Over 300,000 students enrolled on a yearly basis
- 51% of students coming from Germany, France, Italy or Spain
- In total about 800,000 people (students, trainers etc.) involved in the programme and (temporarily) moving abroad

### Tourism/travel<sup>3</sup>

- Approximately 260 million trips (with at least one overnight stay) on a yearly basis
- About 58% of nights spent abroad in Spain, UK, Italy or France
